HOW YOU WILL BE JUDGED (Reference: American Red Cross First Aid Text)

**Each team shall correctly tie the following bandages on a "patient".
Correctly tying each bandage is worth 10 points
There is only one try at tying each bandage**

**Open triangular bandage for the head
Open triangular bandage for the hand
Open triangular bandage for the knee
Sprained ankle cravat bandage
Arm sling with binder**

Two members of the team shall be in each competition one member shall be the patient--one member shall be the rescuer

The rescuer shall tie all of the bandages on the patient, one at a time, and remove the bandage after each application, then move on to the next bandage

The rescuer and the patient shall switch places and the "new" rescuer shall tie all of the bandages on the new patient

Then two more members of the team shall compete until all members of the team have competed and all members of the team have tied the bandages

NO patient or other person shall coach the rescuer on how to properly tie the bandage--if coaching occurs 0 points shall be awarded for that bandage

The event shall be timed from the "START" command until both members of the team have completed their bandaging--the times for the entire team to complete the event shall be tallied-- in the event of a tie, the team with the shortest time is the winner
